

Father's Day 2 and 3 September 2017

Northern Cemeteries *Always* Macquarie Park Cemetery and Crematorium
Field of Mars Cemetery

Northern Cemeteries was delighted to hold two services marking Father's Day 2017.

A Father's Day Memorial Mass was held at the Field of Mars Cemetery on Saturday, 2 September.

This beautiful service was led by Fr. Richard Gates from St Charles Borromeo and Our Lady Queen of Peace parishes. It also included musical accompaniment from singer/musician Eileen McCann, whose music and signing provided a lovely backdrop to this special service.

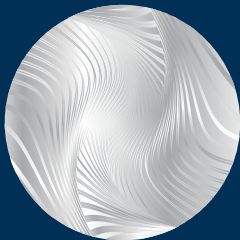

A day later, a Father's Day Memorial Service took place at Macquarie Park Cemetery and Crematorium's Palm Chapel. The service allowed people to honour, remember and pay tribute to their much-missed fathers and the love they shared with each other.

It featured a photographic presentation of images of fathers – supplied by those present - and the lighting of candles as part of commemorations and remembrance.

Northern Cemeteries was delighted to hold these events and thanks everyone who came along and assisted with each service.
